

**WEEKLY UPDATE**

**2/15/2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 26 residents and 18 staff members test positive for COVID-19. All residents and staff members of Las Brisas Rehabilitation and Wellness Suites were tested per rapid antigen process 2/12/2021 with negative results for all. We are following Dallas County Health Department's directions for nursing facilities to minimize exposure and prevent COVID-19 cases for all residents and staff members.

Monday, February 15<sup>th</sup>, 2021, brought snow and ice to all of Texas and in doing so delayed the 3<sup>rd</sup> COVID-19 vaccination clinic for residents and staff. We anticipate the last COVID vaccine clinic to occur Saturday, February 27<sup>th</sup>. We continue to appreciate the wonderful staff at Walgreens in partnering with Las Brisas in the fight against COVID – 19.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 972-957-0100.

Sincerely,

*David Pennybacker*

**WEEKLY UPDATE**

**2/25/2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 26 residents and 18 staff members test positive for COVID-19. All residents and staff members of Las Brisas Rehabilitation and Wellness Suites were tested per rapid antigen process 2/17/2021 with negative results for all. We are following Dallas County Health Department's directions for nursing facilities to minimize exposure and prevent COVID-19 cases for all residents and staff members.

Saturday February 27<sup>th</sup> will be the 3<sup>rd</sup> COVID-19 vaccination clinic for residents and staff. While we come to the close of the planned vaccination clinics, we will continue to share with residents, family members and employees any pertinent and valuable information in the fight against COVID - 19

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19. Our residents are continually monitored and staff is using PPE as recommended by the CDC. **WEEKLY UPDATE**

**2/3/2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 26 residents and 18 staff members test positive for COVID-19. All residents and staff members of Las Brisas Rehabilitation and Wellness Suites were tested per rapid antigen process 1/29/2021 with negative results for all. We are following Dallas County Health Department's directions for nursing facilities to minimize exposure and prevent COVID-19 cases for all residents and staff members.

Monday, February 15<sup>th</sup>, 2021, in conjunction with Walgreens, Las Brisas will conduct the 3<sup>rd</sup> COVID-19 vaccination clinic for residents and staff. We continue with our battle against COVID-19 and appreciate the professional staff at Walgreens in partnering with Las Brisas in this critical process.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.
