

WEEKLY UPDATE/ NOTIFICATION OF NEW CASE

8/15/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We currently have a total of ___0___ residents and ___1___ staff member with COVID-19 at our facility. The employee tested positive August 15th, 2021. We are working very hard to prevent the spread of infection and following all of the recommendations of our federal and local health officials.

Per Dallas County Health Department and CMS guidance, all Las Brisas and The Casitas at Las Brisas residents are quarantined for the next 14 days. All General Visitation is on hold. Compassionate visits and Essential Caregivers (2 approved E. C. per resident) visits to continue on a scheduled basis.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 972-957-0100.

Sincerely,

David Pennybacker
