

COVID WEEKLY UPDATE 02/18/2022

Las Brisas Rehabilitation and Wellness Suites

Total Number of Newly Confirmed COVID Cases: 0

Staff: 0

Residents: 0

Date of Last Newly Confirmed COVID-19 Case:

2/01/2022

Date of Expected Outbreak Clearance:

02/15/2022

Visitation Status:

Visitation is allowed to your loved one/family/friend, but you are required to be screened upon entrance and you are required to wear a surgical mask while in the facility; cloth masks are not permitted. If you bring young children, they are also required to wear a surgical mask if they are over 2 years old at all times while in the facility. The children should remain with you at all times and should not be allowed to room in the rooms or hallways. Also, please ensure that you social distance (6 feet) between staff and other residents. No visitors are allowed on the COVID unit due to isolation requirements. If you have any signs or symptoms of COVID-19 or not feeling well, we ask you to wait on visitation until you are well.

Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Thank you for your support throughout this pandemic, and as always, if you have any questions or concerns please contact us directly at **469-957-0100**.

Sincerely,

Linda Carcano, LNFA
